

Map of the world

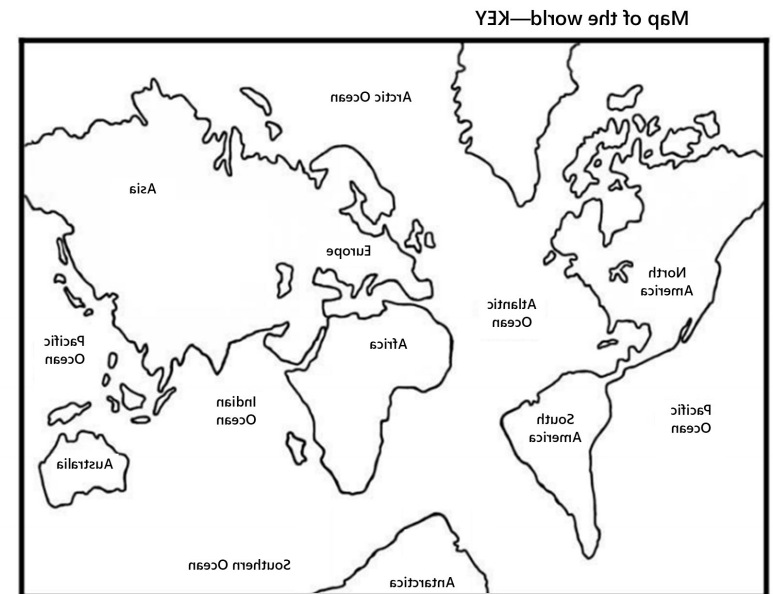

Earth Day 2021 is Thursday, April 22 but you can celebrate Earth Day every day!

How many of these activities can you do today?
Tomorrow? This month? This year?

- ☐ Donate items (toys/clothes/books...) that you no longer need
- ☐ Go on a rainbow scavenger hunt (look for every color of the rainbow in nature)
- ☐ Make a "Lights On" graph (graph the number of lights on in your house at breakfast, lunch, and dinner)
- ☐ Take a walk in nature
- ☐ Build a birdhouse
- ☐ Go birdwatching
- ☐ Have a "car-free" day
- ☐ Make a craft using recycled items
- ☐ Pick up litter when you see it (safely)
- ☐ Clean a community area
- ☐ Read a book about our earth
- ☐ Start a garden
- ☐ Make a nature collage
- ☐ Make wind chimes using tin cans
- ☐ Make a "trashy" collage
- ☐ Hike a new trail
- ☐ Play a game in the back yard
- ☐ Go "screen-free" for a day (or week!!)
- ☐ Look at the stars
- ☐ Read a book outside

Can you think of other ways your family can celebrate Earth Day?
